

Business Link services for farmers

[Businesslink.gov.uk/farming](https://businesslink.gov.uk/farming) is the new online service for farmers and growers available on businesslink.gov.uk, the Government's resource for business. You can access guidance and tools and sign up for email alerts to let you know when regulations change.

There are over 100 new guides, covering a range of topics from funding and grants, Environmental Stewardship schemes and Cross Compliance.

You can explore a range of topics including:

- Funding diversification
- Trading your farm produce
- Managing waste to increase profitability
- Marketing certified seed
- Converting to organic farming
- Animal health and welfare

You can also find links to relevant associations, as well as general information on tax, financial planning, health and safety and international trade.
