Insight into Project Management

11am Thursday 3rd December 2020

This is an online training session which covers an introduction to Project Management skills for those working within the feed trade and a lead into the face to face training sessions BCFTA provides.

The session is expected to last 1 hour but 1 ½ hours should be allowed for as its length will depend on the number of questions following the presentation.

This course is suitable for those with limited knowledge as well as those wishing to brush up on the knowledge, they already have on Project Management Skills within the feed trade.

Charge: (including VAT @ 20%)

- £10.00 for BCFTA Members. (This course is subsidised by BCFTA for members staff)
- £50.00 for Non Members
